### § 1 Rights Granted

The Contribution is distributed under the terms of the Creative Commons Attribution 4.0 International License (<http://creativecommons.org/licenses/by/4.0/>), which permits use, duplication, adaptation, distribution, and reproduction in any medium or format, as long as appropriate credit is given to the original author(s) and the source, a link is provided to the Creative Commons license, and any changes made are indicated.

Author hereby grants to **Springer International Publishing AG, Cham** (hereinafter called Publisher) the permanent, world-wide, transferable, sub-licensable and unlimited right to any use of the Contribution: to reproduce, publish, distribute, transmit, make available or otherwise communicate to the public, translate, publicly perform, archive, store, lease or lend and sell the Contribution or parts thereof individually or together with other works in any language, in all revisions and versions (including soft cover, book club and collected editions, anthologies, advance printing, reprints or print to order, microfilm editions, audiograms and videograms), in all forms and media of expression including in electronic form (including offline and online use, push or pull technologies, use in databases and data networks (e.g. the Internet) for display, print and storing on any and all stationary or portable end-user devices, e.g. text readers, audio, video or interactive devices, and for use in multimedia or interactive versions as well as for the display or transmission of the works or parts thereof in data networks or search engines, and posting the Contribution on social media accounts closely related to the Work), in whole, in part or in abridged form, in each case as now known or developed in the future, including the right to grant further time-limited or permanent rights. Publisher especially has the right to permit others to use individual illustrations, tables or text quotations and may use the Contribution for advertising purposes. For the purposes of use in electronic forms, Publisher may adjust the Contribution to the respective form of use and include links (e.g. frames or inline-links) or otherwise combine it with other works and/or remove links or combinations with other works provided in the Contribution. For the avoidance of doubt, all provisions of this contract apply regardless of whether the Contribution and/or the Work itself constitutes a database under applicable copyright laws or not. The above rights include the right of Publisher to be the first to communicate and make the Contribution available to the public in any form or format.

The copyright of the Contribution shall be vested in the name of Author. Author has asserted his/her right(s) to be identified as the originator of this Contribution in all editions and versions of the Work and parts thereof, published in all forms and media. Publisher may take, either in its own name or in that of Author, any necessary steps to protect the rights granted under this Agreement against infringement by third parties. It will have a copyright notice inserted into all editions of the Contribution according to the provisions of the Universal Copyright Convention (UCC).

A notice about the terms of the Creative Commons Attribution 4.0 International License will be published in all editions of the Contribution. The electronic edition of the Contribution will be clearly labeled as "open access content" and contain an open access flag in the Publisher's product database (currently SpringerLink).

The parties acknowledge that there may be no basis for claim of copyright in the United States to a Contribution prepared by an officer or employee of the United States government as part of that person's official duties. If the Contribution was performed under a United States government contract, but Author is not a United States government employee, Publisher grants the United States government royalty-free permission to reproduce all or part of the Contribution and to authorise others to do so for United States government purposes. If the Contribution was prepared or published by or under the direction or control of Her Majesty (i.e., the constitutional monarch of the Commonwealth realm) or any Crown government department, the copyright in the Contribution shall, subject to any agreement with Author, belong to Her Majesty. If Author is an officer or employee of the United States government or of the Crown, reference will be made to this status on the signature page.

## **§ 2 Warranties**

Author agrees, at the request of Publisher, to execute all documents and do all things reasonably required by Publisher in order to confer to Publisher all rights intended to be granted under this Agreement. Author warrants that the Contribution is original except for such excerpts from copyrighted works (including illustrations, tables, animations and text quotations) as may be included with the permission of the copyright holder thereof, in which case(s) Author is required to obtain written permission to the extent necessary (including without limitation open access licenses, where appropriate) and to indicate the precise sources of the excerpts in the manuscript. Author is also requested to store the signed permission forms and to make them available to Publisher if required.

Author warrants that Author is entitled to grant the rights in accordance with Clause 1 "Rights Granted", that Author has not assigned such rights to third parties, that the Contribution has not heretofore been published in whole or in part, that the Contribution contains no libellous or defamatory statements and does not infringe on any copyright, trademark, patent, statutory right or proprietary right of others, including rights obtained through licences; and that Author will indemnify Publisher against any costs, expenses or damages for which Publisher may become liable as a result of any claim which, if true, would constitute a breach by Author of any of Author's representations or warranties in this Agreement. Author agrees to amend the Contribution to remove any potential obscenity, defamation, libel, malicious falsehood or otherwise unlawful part(s) identified at any time. Any such removal or alteration shall not affect the warranty and indemnity given by Author in this Agreement.

## **§ 3 Delivery of Contribution and Publication**

Author shall deliver the Contribution to the responsible Editor electronically in Microsoft Word format or in such form as may be agreed in writing with Publisher on a date to be agreed upon. The Contribution shall be in a form acceptable to the Publisher (acting reasonably) and in line with the instructions contained in the guidelines and Author shall provide at the same time, or earlier if the Publisher reasonably requests, any editorial, publicity or other form required by the Publisher. Publisher is entitled to have the Contribution peer-reviewed by external reviewers of its choice. Springer will undertake the publication and distribution of the Contribution and Work in print and electronic form at its own expense and risk.

## **§ 4 Author's Discount**

Author is entitled to purchase for his/her personal use (if ordered directly from Publisher) the Work or other books published by Publisher at a discount of 40% off the list price for as long as there is a contractual arrangement between Author and Publisher and subject to applicable book price regulation. Resale of such copies or of free copies is not permitted.

## **§ 5 Governing Law and Jurisdiction**

This agreement shall be governed by, and shall be construed in accordance with, the laws of Switzerland. The courts of Zug, Switzerland shall have the exclusive jurisdiction. Either party shall be entitled to terminate this Agreement forthwith by notice in writing to the other party if the other party commits a material breach of the terms of the Agreement which cannot be remedied or, if such breach can be remedied, fails to remedy such breach within 28 days of being given written notice to do so.
